Dear Sir or Madame:

Based on information supplied, and assuming your operations will be as indicated in your income and franchise tax exemption application, we have determined that you are exempt from the District of Columbia Income and Franchise Tax as an organization described in Section 47.1802.1() of the District of Columbia Code.

Contributions made to you **are not** deductible by donors.

If your purposes, character, or method of operation change, please report the changes to us for consideration of their effect, if any, upon your exempt status. You should also report any change in your name including the amendment to your organizational document and address.

You are not required to file District of Columbia income or franchise tax returns unless your organization has unrelated business income from engaging in a trade or business in the District or from District sources and such income is subject to tax under Section 511 of the Internal Revenue Code and/or you are subject to tax under Section 527 of the Internal Revenue Code.

You will be required to submit each year on or before the fifteenth day of the fifth month following the close of your accounting period a copy of Form 990 filed with the Internal Revenue Service

In addition, you are required to submit promptly a copy of any correspondence which is received from the Internal Revenue Service which changes your exempt status for Federal income tax purposes.

Sincerely yours,

A handwritten signature in black ink, appearing to read "K. Tucker".
